

## About us

Portland dahlia society was formed in the late 1960's and has been putting on a Dahlia and Rose show in Portland, each year through to the current day.

The show has become one of the largest Dahlia Shows in Australia, but not only Dahlias & Roses are exhibited we also have a large display of Cut Flowers and Floral Art.

The Children's section is always a bit hit with decorated vegetables and pinecones.

You can also be creative with a decorated cup & saucer with fresh flowers & foliage or a glass bowl with floating flowers & foliage.

There is something for everyone at our show. Not only a great display of Dahlias & Roses, but great people as well that are there to help you with displaying your flowers or to give advice on growing Dahlias. It is a great day out. We hope to see you at our show.

Portland Dahlia Society is a group of dedicated people that work throughout the year to put on what is now one of the largest Dahlia shows in Australia. It takes a lot of hard work with most of us growing dahlias and roses to exhibit not only in our show but in other shows in Victoria and interstate.
